Encyclopedia of celtic mythology and folklore

Discover the rich world of Celtic mythology and folklore. Praise for the hardcover edition:.... worth the purchase. BooklistSuction of high quality... We recommend. ChoiceCeltic nations were talented storytellers. Like many others, they passed on memories of history and conveyed religious ideas orally, developing strong mythological and folklore traditions through generations. Christianity brought literacy and conversion to the Celts, who became Christian monks, wrote many old stories and recorded them in several languages, including Irish, Welsh and Latin. These stories provide a rich, panoramic view of Celtic culture. The encyclopedia of Celtic mythology and folklore is a fascinating reference to myths and folklore originating from the people of celtic countries: Ireland, Scotland, Celtic Britain, Wales, Brittany and central France, Galicia and the smaller islands where the Celts lived. This accessible book offers a wide overview of the elements that make up Celtic mythology and folklore, including characters, rains, events, stories and places. Brief A-to-Z entries provide a brief description of the subjects, emphasizing the original sources of myths and traditions and including bibliographic references. Approximately 1000 items of coverage:Heroic charactersHistorical placesMytic charactersNarrative and epic cyclesSacred places and objectsThemes and religious conceptsSparings and more. The Encyclopedia of Celtic Mythology and Folklore explores the traditions of the people of Celtic countries, including Ireland, Scotland, Celtic Britain, Wales, Brittany and central France and Galicia. This link begins with an overview of Celtic history, language, society and religion and explains the basic aspects of Celtic mythology. The contributions highlight the original sources of myths and traditions and include cross-references and bibliographic quotations. Patricia Monaghan, a member of the Interdisciplinary Faculty at DePaul University in Chicago, is the author of Red Girl from Bog: A Landscape of Celtic Myth and Spirit and an upcoming encyclopedia of goddesses and heroines. Pushcart Prize winner is also a poet and essayist who works as a senior fellow at the Black Country Institute in Wisconsin. Viewed 1-30 Start your review of the Encyclopedia of Celtic Mythology and Folklore December 26, 2018 Amalia Gkavea it was amazing All the beauty, magic and fascination of the Celtic world in a comprehensive, beautifully written guide. Goddesses, gods, mythical queens and kings, heroes and heroines, saints and otherworldly creatures. Customs, rituals, battles and legends written as a fairy tale spread the richness of Celtic culture of the British Isles, Brittany and the rest of the Celtic world. A gem that should find a place in every library. A wide collection of Celtic mythical/folklore characters, places, stories. Items are cross-referenced. Again, the only thing that would make a book like this more user friendly, because it includes an index, would be sub-dividing items by specific culture. July 02, 2020 Brittany Garcia rated it really liked that serving its purpose is an encyclopedia, but I was hoping for something a little easier to find stories, myths, etc. Which this book does not do for novice students of the subject. I love it It is a world of knowledge about Celtic history and information. Many of the creatures and their story, as my grandmother said, are inside and I can hear and learn about them for much more knowledgeable reasons. The information is endless and I even learned a few things I missed through my grandmother's timid approach to telling about the stories I grew up with. Such an interesting read. I recommend it to anyone who loves a little fairy tale and who I love this encyclopedia. It is a world of knowledge about Celtic history and information. Many of the creatures and their story, as my grandmother said, are inside and I can hear and learn about them for much more knowledgeable reasons.
