TIM & CALLIE OUR STORIES

After working our way up the ladder in the industry all the way to becoming the owners of our Crazy Beans restaurants, we wanted to bring something a little different

to this village that is very special to us. We created Schnitzels because we love the Stony Brook community, and because we love living and raising our three children in the Three Villages.

We hope that you come to this restaurant to drink and eat, celebrate successes, meet a friend, bring your family, share a conversation, toast to new beginnings, pick yourself up after a bad day, or honor the end of a long week. Everyone is welcome here! From our shared love of traveling, we hope this dining room transports you to another time and place where you can put aside the concerns of home and work, and enjoy great food and great company. Nothing is more satisfying than raising your glass and hearing the *clink* of a cheers. So, let's toast...Prost!

LOU & STORM

We're excited to announce that we've officially partnered with Tim and Callie as the co-owners of Schnitzels. It's a place we've enjoyed sharing our

stories and creating memorable moments with our guests, many of whom have become great friends in this fun and growing community.

We're honored to have been welcomed so warmly by everyone, and we'll continue to put our best efforts to make Schnitzels both a second home for our guests, and a second family for our staff. We're sincerely grateful for all of your support in making Schnitzels a new staple in Stony Brook Village. Cheers!
