No harm.-2 Killer veto only sky key daggers indicating a masterful killing against the living shield. These are the strongest (magickal damage) daggers that can be gifted or traded to another pawn. Although they are not the most powerful primary weapons in the game, the sacred enchanted weapons can be said to be the most useful and versatile weapons practiced because they damage almost every creature type in the game. It has a weapon level requirement of 41. Trivia The key to heaven is probably a reference to the keys of heaven in the Christian religion. These keys are usually portrayed as pairs, such as daggers. (See Wikipedia: Sky Keys) The symbolism of religious Christianity is used in naming some of your other dragon bonus weapons, ie Dwells-In-Light; The angel's fist, and Askalon, the name of St. George's weapon.
