

# Cinapsis

## PhotoConsult

### Take patient photos with your own phone securely

- ✓ ...or invite patients to send photos to you with a one-way SMS message or email directly from within EMIS Web or SystemOne
- ✓ Share photos, videos and documents in a secure, GDPR-compliant way
- ✓ Photos, videos and documents are automatically stored in EMIS Web, SystemOne or the Trust's clinical system
- ✓ Nothing is stored on the phone or personal cloud
- ✓ Only takes 2 minutes to set up
