In senior high school, we study with care,
English for academic purposes we bear.

Written and read words so clear,
to communicate our ideas, year after year.

In organized essays, we present our case,
Studying texts with steady pace.
Grammar rules guide as a way.
to write clearly every single day.

Speaking exercises, in which speeches flow,
Ideas exchanged, confidence to show.

Presentations composed and sure,
In English class, we mature.

From novels studied and stories told,
To understand, our minds unfold.

English for our requirements we face,
preparing us for the life's embrace.

Our goal in senior high school is to learn,
English for the future's turn.

Every statement made and knowledge learned,
In scholarly English, we discern.
