# WHY THIS EVENT?

**Our purpose is simple: inspire believers to live every day as a victory lap—because victory isn't something we're chasing—it's the ground we already stand on.**

This isn't just another event—it's a vibe, a movement, and a time to recharge your spirit. We're delivering dynamic voices, powerful music, and an event that's electric with hope and unity.

Every moment is designed to inspire and connect people on a deeper level. Our guests won't just attend—they will leave energized, encouraged, and ready to experience every day as a victory lap.

# WHY YOU?

This event's purpose is to connect the community, and create a space where believers celebrate thier purpose together.

**Your art is part of that ministry.**

We're honored and excited to have you join our lineup of talented artists who are using their powerful voices and gifts to uplift, inspire, and connect with other believers focused on running thier victory lap.

**This guide ensures we're all aligned and ready to deliver an unforgettable experience together that follows our 4 pillars of faith, freedom, fearless, and forward living.**

# VIBE + MESSAGE

*Your message must be bold, clear, and rooted in purpose. Inspire hearts. Leave a mark. Share truth, joy, and purpose in every moment.*

## **Keep it Kingdom**

Let your words, lyrics, and energy reflect the goodness of God—hope, love, truth, and freedom. You're not just performing—you're planting seeds!

## **Honor the Lap**

Speak life! Use language and gestures that uplift. We're creating a space for people of all ages and walks of life to feel God's presence.

## **Dress to Shine**

Represent yourself and the Kingdom with confidence and modesty. Be bold, be you—just keep it family-friendly. Please note: To protect the integrity of the show, each performer is required to perform in a Victory Lap t-shirt or top.

## **Lead with Intention**

Be mindful of your conduct—speak and perform with humility, authenticity, and reverence.

## **Cover It in Prayer**

We believe prayer fuels purpose. We'll offer a time of prayer before the event, and you're invited to join in!

# PERFORMANCE GUIDELINES

*Order and structure enables the Spirit to move freely. Let's stay on point so everyone can shine in their moment.*

## **Stick to Your Set Time**

We want everyone to shine! Please stay within your assigned time so the show flows beautifully.

## **Be Ready for Soundcheck**

Great sound = great worship. If scheduled, artists must attend soundcheck to ensure smooth technical coordination.

## **Keep It Clean & Creative**

Bring the energy! Just make sure your content is uplifting, family-friendly, and in line with running a victory lap.

## **Originals & Cleared Covers Welcome**

Got a cover? Make sure it's cleared. Got an original? We can't wait to hear it!

## **Collaborate in Love**

Treat our team and your fellow artists with the same grace and kindness you'd want backstage and beyond.

# YOUR IMPACT

*Handle the little things with care—it helps the big things shine. Bring any gear you need, respect the venue, and help keep things smooth behind the scenes.*

## **Check In Early**

Arrive at least 45 minutes before your time slot so we can welcome you, line up, and make sure everything's smooth.

## **Respect the Space**

No smoking, drugs, alcohol, or anything that would disrupt the peaceful, family vibe of the day.

## **Spread the Word**

Let your audience know where you'll be! Tag us, post about it, and let's fill the stadium with people ready to run their victory lap with us.

## **Gear Up Wisely**

Bring any special equipment you need. We'll handle the rest—just give us a heads-up in advance.

## **Merch? Let's Go!**

If you're bringing merch, make sure it aligns with the mission. We love when creatives share what they've built!

# WANT TO BE APART OF THE SHOW?

We're opening the stage for artists who want to move people with music, creativity, and heart. Our revival event is all about good energy, real connection, and sharing the gifts that make us who we are.

If you've got a voice, a sound, or a story to tell — this is your moment.

This isn't just a stage — it's a space for real voices, real stories, and real impact.

Bring your sound. Bring your style. Bring your heart. Be part of something big.
