Download the previous versions of Grandma for Android. All previous versions of Granny are virus-free and free to download on Uptodown. Grandma is a cool horror, able to get to the freaks. The main character was locked in a large, dilapidated house, which equipped itself with a lair of creatures, earning the nickname Grandma. The character has no choice but to hide and be very calm, or the mistress immediately discovers the intruder and sends him to the light. You also need to slowly inspect the building to find a way to get out of the trap and get out of this nightmare.
