## **[Chorus: Karin Kasar]**

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night, I dream of love so true

## **[Verse 1: Olaf "O-Jay" Jeglitza]**

Just another night, another vision of love  
You feel joy, you feel pain, 'cause nothing will be the  
same

Just another night, is all that it takes  
To understand, the difference between lovers and  
fakes

So baby, I talk talk, I talk to you  
In the night, in your dream, of love so true  
I talk talk, I talk to you  
In the night, in your dream, of love so true

## **[Pre-Chorus: Karin Kasar]**

In the night, in my dreams, I'm in love with you  
'Cause you talk to me like lovers do  
I feel joy, I feel pain 'cause it's still the same  
When the night is gone, I'll be alone

**[Chorus: Karin Kasar]**

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night, I dream of love so true

**[Instrumental Break]**

**[Verse 2: Olaf "O-Jay" Jeglitza]**

Just another night, another dream, another vision  
Of love, with me  
I'm here to set you free  
I am your lover, your brother  
Hey sister, let me cover, your body with my love is  
with my lovin' just another  
Vision of love, that seems to be true  
All we do, all the things that only lovers do  
Vision of love, that seems to be true  
All we do, all the things that only lovers do

**[Pre-Chorus: Karin Kasar]**

In the night, in my dreams, I'm in love with you  
'Cause you talk to me like lovers do  
I feel joy, I feel pain 'cause it's still the same  
When the night is gone, I'll be alone

**[Chorus: Karin Kasar]**

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night, I dream of love so true

**[Bridge: Olaf "O-Jay" Jeglitza]**

I talk talk, I talk to you  
In the night, in your dream, of love so true  
I talk talk, I talk to you, in the night, in your dream, of  
love so true

**[Pre-Chorus: Karin Kasar]**

In the night, in my dreams I'm in love with you  
'Cause you talk to me like lovers do  
I feel joy, I feel pain, 'cause it's still the same  
When the night is gone, I'll be alone

**[Chorus: Karin Kasar]**

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night, I dream of love so true
