

# Pearl Jam - Better Man

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

Waitin', watchin' the clock

It's four o'clock

It's got to stop

Tell him

"Take no more"

She practices her speech as he opens the door

She rolls over

Pretends to sleep as he looks her over

## [Hook]

She lies and says she's in love with him

Can't find a better man

She dreams in color, she dreams in red

Can't find a better man

Can't find a better man

Can't find a better man

Oh

## **[Verse 2]**

Talking to herself

"There's no one else who needs to know"

She tells herself

Memories back when she was bold and strong

And waiting for the world to come along

Swears she knew him, now she swears he's gone

## **[Hook]**

She lies and says she's in love with him

Can't find a better man

She dreams in color, she dreams in red

Can't find a better man

She lies and says she still loves him

Can't find a better man

She dreams in color, she dreams in red

Can't find a better man

Can't find a better man

Can't find a better man

## **[Bridge]**

She loved him, yeah

She don't want to leave this way

She feeds him, yeah

That's why she'll be back again

## **[Hook]**

Can't find a better man (Can't find a better man)

Can't find a better man (Can't find a better man)

Can't find a better man (Can't find a better man)

Can't find a better man
