

The Verve - Bitter Sweet Symphony

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

'Cause it's a bitter sweet symphony that's life
Trying to make ends meet, you're a slave to money
then you die

I'll take you down the only road I've ever been down
You know the one that takes you to the places
Where all the veins meet, yeah

[Chorus 1]

No change, I can change
I can change, I can change
But I'm here in my mould
I am here in my mould

But I'm a million different people from one day to the
next

I can't change my mould
No, no, no, no, no, no, no
Have you ever been down?

[Verse 2]

Well I've never prayed, but tonight I'm on my knees,
yeah

I need to hear some sounds that recognize the pain in
me, yeah

I let the melody shine, let it cleanse my mind, I feel
free now

But the airwaves are clean and there's nobody
singing to me now

[Chorus 2]

No change, I can change
I can change, I can change
But I'm here in my mould
I am here in my mould

And I'm a million different people from one day to the
next

I can't change my mould

No, no, no, no, no

Have you ever been down?

I can't change it you know, I can't change it

[Verse 3]

'Cause it's a bitter sweet symphony, that's life
Trying to make ends meet

Trying to find somebody, then you **die**
I'll take you down the only road I've ever been down
You know the one that takes you to the places
Where all the veins meet, yeah

[Chorus 3 + Outro]

You know I can change, I can change
I can change, I can change
But I'm here in my mould
I am here in my mould

And I'm a million different people from one day to the
next

I can't change my mould, no, no, no, no, no
I can't change my mould, no, no, no, no, no
I can't change my mould, no, no, no, no, no
You've gotta change my mould, no, no, no
(It's just **sex** and violence, melody and silence)
(Gotta, can't change my violence, melody and
silence)

(Gotta can't change my violence, melody and
silence)

(I'll take you down the only road I've ever been down)
(Gotta, can't change my violence, melody and
silence)

(I'll take you down the only road I've ever been down)

(Gotta, can't change my violence, melody and
silence)

Been down

Ever been down

(Can't change my violence, melody and silence)

Ever been down

Ever been down

Ever been down

Have you ever been down?

Have you ever been down?

Have you ever been down?
