

Pearl Jam - Corduroy

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

The waiting drove me mad
You're finally here and I'm a mess
I take your entrance back
Can't let you roam inside my head

[Chorus 1]

I don't want to take what you can give
I would rather starve than eat your bread
I would rather run but I can't walk
Guess I'll lie alone just like before

[Verse 2]

I'll take the varmint's path
Oh, and I must refuse your test
A-push me and I will resist
This behavior's not unique

[Chorus 2]

I don't want to hear from those who know
They can buy but can't put on my clothes
I don't want to limp for them to walk
Never would have known of me before

[Chorus 3]

I don't want to be held in your debt
I'll pay it off in blood let I be wed
I'm already cut up and half **dead**
I'll end up alone like I began

[Bridge]

Everything has chains
Absolutely nothing's changed
Take my hand, not my picture
Spilled my tincture

[Chorus 4]

I don't want to take what you can give
I would rather starve than eat your bread
All the things that others want for me
Can't buy what I want because it's free
Can't buy what I want because it's free
Can't be what you want because I...

[Verse 3]

Why ain't it supposed to be just fun?
To live and die let it be done
I figure I'll be damned
All alone like I began

[Outro]

It's your move now
I thought you were a friend but I guess I...
I guess I hate you
