

Jars of Clay - Flood

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Rain, rain on my face
It hasn't stopped raining for days
My world is a flood
Slowly I become one with the mud

[Chorus]

But if I can't swim after forty days
And my mind is crushed by the thrashing waves
Lift me up so **high** that I cannot fall
Lift me up
Lift me up - when I'm falling
Lift me up - I'm weak and I'm **dying**
Lift me up - I need you to hold me
Lift me up - Keep me from drowning again

[Verse 2]

Downpour on my soul
Splashing in the ocean, I'm losing control

Dark sky all around
I can't feel my feet touching the ground

[Chorus]

[Verse 3]

Calm the storms that drench my eyes
Dry the streams still flowing
Cast down all the waves of sin
And guilt that overthrow me

[Chorus]

Lift me up - when I'm falling
Lift me up - I'm weak and I'm **dying**
Lift me up - I need you to hold me
Lift me up - Keep me from drowning again
