

Gin Blossoms - Follow You Down

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Did you see the sky, I think it means that we've been
lost

Maybe one less time is all we need
I can't really help it if my **tongue**'s all tied in knots
Jumping off a bridge, it's just the farthest that I've
ever been

[Chorus]

Anywhere you go, I'll follow you down
Anyplace, but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far

[Verse 2]

I know we're headed somewhere, I can see how far
we've come

But still, I can't remember anything
Let's not do the wrong thing and I swear it might be

fun

It's a long way down when all the knots we've tied
have come undone

[Chorus]

Whoooo!

[Verse 3]

How you gonna ever find your place
Runnin' in an artificial pace
Are they gonna find us lying face down in the sand
So what the **hell**, have we already been forever
damned?

[Chorus]

[Outro]

Anywhere you go, I'll follow you down
Anyplace, but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far (follow you down)
I'll follow you down, but not that far (follow you down)
I'll follow you down, but not that far (follow you down)
I'll follow you down, but not that far (follow you down)
