

LIVE - Lightning Crashes

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Lightning crashes, a new mother cries
Her placenta falls to the floor
The angel opens her eyes, the confusion sets in
Before the doctor can even close the door

[Verse 2]

Lightning crashes, an old mother **dies**
Her intentions fall to the floor
The angel closes her eyes, the confusion that was
hers
Belongs now, to the baby down the hall

[Chorus]

Oh, now I feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth again
I can feel it

[Verse 3]

Lightning crashes, a new mother cries
This moment she's been waiting for
The angel opens her eyes, pale blue colored iris
Presents the circle, and puts the glory out to hide,
hide

[Chorus]

Oh, now I feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth again
I can feel it
I can feel it

[Interlude]

[Bridge]

Oh, why
Oh, why
Oh, why

[Chorus]

Oh, now I feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth again

I can feel it

I can feel it comin' back again

Like a rollin' thunder chasing the wind

Forces pullin' from the center of the earth again

I can feel it

I can feel it comin' back again

Like a rollin' thunder chasing the wind

Forces pullin' from the center of the earth again

I can feel it

I can feel it

I can feel it
