

Fastball - The Way

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

They made up their minds and they started packing
And left before the sun came up that day
An exit to eternal summer slacking
But where were they going without ever knowing the
way?

They drank up the wine and they got to talking
But now had more important things to say
And when the car broke down, they started walking
Where were they going without ever knowing the
way?

[Chorus]

Anyone can see the road that they walk on is paved in
gold
And it's always summer, they'll never get cold
They'll never get hungry
They'll never get old and grey
You can see their shadows wandering off somewhere

They won't make it home, but they really don't care
They wanted the highway
They're happier there today, today

[Verse 2]

The children woke up, and they couldn't find them
They left before the sun came up that day
They just drove off and left it all behind 'em (Leavin' it
all behind)
Where were they going without ever knowing the
way?

[Chorus]

Anyone can see the road that they walk on is paved in
gold
And it's always summer, they'll never get cold
They'll never get hungry
They'll never get old and grey
You can see their shadows wandering off somewhere
They won't make it home, but they really don't care
They wanted the highway
They're happier there today, today

[Instrumental Break]

[Chorus]

Anyone can see the road that they walk on is paved in
gold

And it's always summer, they'll never get cold

They'll never get hungry

They'll never get old and grey

You can see their shadows wandering off somewhere

They won't make it home, but they really don't care

They wanted the highway

They're happier there today, today

[Guitar Solo Outro]

Leavin' it all behind
