818223.com/resources/Stuti Magazine of IISS The title of the magazine is IISS, and it comes out weekly. IISS magazine, with cover-page photographs of news items. IISS Magazine, with cover-page photographs of news items. Stuti, has cover page photographs of news items, and has two and a half colour pages, in Tamil. When there is an astrologer in the picture, the cover is replaced with a photograph of the astrologer. The pages are called front cover and back cover. Every page has some news items, Tamil astrology, horoscope, speech, letters, astrologers's statements, and other news items. All issues come out weekly, and usually the first week's issue has a cover-page with news items, and a monthly cover-page with news items, and a magazine cover-page with news items. References
