To
whomever it may concern.

I want to state that nobody has any
right on my body, without my permission.
I should not be treated by any doctor, vidya or
any other person.
Specially my husband and my family
members should not at all have any say
in my sickness, No one has to admit me
in any hospital. Even Sahaja Yogis can not
admit me in the hospital or treat me or
arrange any doctor for treatment for me.
I want to declare that my family
should never admit me in the hospital.
Specially my husband has no right over my
body and any advice from him should not
be accepted at all. In short I do not want
to be admitted in any hospital by anyone.
Before my death I will write what is
to be done with my body.
