0 SPARKLING NEW LOOK New design, clean and simple. New and improved user experience NEW FEATURES: NEW BUTTONS: Misc. miscellaneous Tweak to the default buttons Some minor adjustments and visual improvements Fix for BeP Drop zone expansion Dropped some things on purpose Ban list update Skins support Optimized Update the user interface Various other minor tweaks Updated the server list Updated the PSL countdown New trophies New user interface Updated new user interface Added skin support Fixed UI There's also the copy-paste bugs fix, a server list update and the removed Quick Play button. Welcome to v2.0.0 of this beautiful theme park simulator!The previous release had some issues, so this one is a lot more polished. All features of the previous version are available, with the exception of the story line, the new player tutorial and the new gallery (which will be added eventually).If you want to try the new theme park simulator, please use the regular way to install the theme park simulator by downloading from here.Don't forget to update the launcher and the game, you will need the latest version of the launcher to use the updated files.The official website is There is also a facebook page, if you want to stay up to date with the latest news regarding Theme Park World.I wish you a very merry christmas and a happy new year!!If you have any suggestions or bugs that you want to report, please let us know on this thread :). We will try to address all of your issues and let you know when it is fixed. We would really appreciate it if you could help us out.Enjoy the new version!Cocaine laws Traffic laws were tightened in the UK as well as cocaine laws. In 1984 the minimum legal age was changed from 18 to 21. The maximum legal limit was also changed at that time. In 1989 cocaine was banned in Scotland. In 1989/90 new laws were implemented to crack down on cocaine dealing and the possession of any amount of cocaine, regardless
