- Please sign up early. For OASA organised events, we shall be using our glue-up system to reach out to you. Members of OASA will have a discounted code and be able to view past recordings. For those where we are the co-organiser or support organisation, our partner shall be handling the registration and special discount would apply, if available. Our homepage should have the latest information on events and activities where you can participate.
- For any details, please ask for Cynthia at 3915-7573 or write to cynthia@oasahk.org.
- Members, please write to your OASA membership representative at membership@oasahk.org, for support. As for Cherry Tsui.
- OASA reserves the rights to amend and adjust this schedule as necessary.

¹ In general, registrations are open, and links are provided two weeks before the actual event date. Please check with your membership executive just in case. membership@oasahk.org.
