## Acknowledgement for project report in engineering pdf

I took an effort into this project. However, this would not have been possible without the kind support and assistance of many individuals and organizations. I would like to express my sincere gratitude to all of them. I would like to express my gratitude to my parents and a member (the name of the organization) for their kind cooperation and support that help me to complete this project. I would like to express my special gratitude and gratitude to the people of the industry for giving me such attention and time. My gratitude and appreciation also go to my colleague in the design of the project and the people who willingly helped me with their abilities. In this article, we will provide a confirmation sample for the last year's project, but a similar form may also apply to recognitions for thesis, or research work. The most important thing when writing recognition over the last year of the project is to recognize the contribution made by your manager and the institution that supported your work. However, you may also consider recognizing the support you have received from: Staff/colleagues who have provided you with the Unitedesity/CollegeInstitution entries that have provided you with financial support in the preparation of the Friends project and the FAMILY ACKNOWLEDGEMENTS I would like to express my sincere gratitude to several individuals and organizations for supporting me throughout my higher education. First, I would like to express my sincere gratitude to my leader, Professor Collins, for his enthusiasm, patience, insightful comments, useful information, practical advice and incessant ideas that have helped me tremendously at all times in my research and writing of this thesis. His vast knowledge, deep experience and professional experience in data quality control have enabled me to successfully complete this study. Without his support and leadership, this project would not have been possible. I couldn't imagine having the best leader in my office. I would also like to express my sincere gratitude to the University of Groningen for taking me to graduate school. In addition, I am deeply indebted to the Dutch Ministry of Education, Culture and Science for my doctoral scholarship. This financial support has allowed me to successfully complete my postgraduate studies. In addition, I am grateful to the Faculty of Economics and Business, the University of Groningen for sponsoring me for participating in scientific conferences. I am also grateful to the following university staff: Ahmed Mustafa, Rick Van Dyck and Bred Van Breda for their consistent support and assistance. Finally, the latter, but by no last resort; Also for everyone in the for Data Science it's been a great sharing room with all of you for the last five years. Thank you for your support!
