FEEDBACK FROM CANDIDATES

07

KRASIMIR KOEV

*Senior Front-End Developer,
Moorcode*

„Talantix offered me several offers that met my expectations perfectly. The hiring process went very smoothly and the feedback was timely. I recommend Talantix."

EVGENIA MITEVA

*.NET Developer,
PubGalaxy*

„My work with Talantix was a pleasure, as the offers they offered me met my requirements and experience. I was informed in time about upcoming commitments and procedures related to them. The end result satisfies me completely and I would recommend Talantix to friends and acquaintances in the IT industry. "

IVAN IVANOV

*Senior QA Automation Engineer,
SolarEdge.com*

„Thank you Talantix team for providing me the opportunity to go to an interview in a company with great professionals and nice atmosphere. Also, thanks for the assistance and communication during the hiring process. For me it was great working with Talantix as a hiring company. I wish you have a great success as a company and help all your clients to find what they are searching for."

DIMITAR SHUTEV

*Web Data Analyst,
Amadeus.com (i:FAO)*

„For me has been an absolute pleasure working with Talantix. They were so supportive, motivating and highly professional during our collaboration. They have contacted me with a company with the most accurate job position for me. I recommend Talantix such as Recruitment Agency for anyone who want to find new job opportunities in IT Industry."

RADOSLAV GEORGIEV

*Senior C ++ Developer,
www.flolive.net*

"I am pleased with Talantix, because they approached me with a relevant offer according to my skills and interests. Moreover, the hiring process was quick and I was able to negotiate the desired remuneration. For these reasons I would recommend them as recruitment company. "

NENCHO NENCHEV

*Senior Java Developer,
taryafintech.com*

"With this recommendation I express my positive impressions of the services of Talantix. The whole process of communication with them is very simple. Extremely easy, without getting to their office, accurate, fast and purely professional. I want to recommend them to anyone who has needed for this type of service. "
