Water explosions, wind, smells, fog, rain, lightning and a lot of vibration are some of the effects waiting for you to experience in MX4D®! MX4D® is the latest development in the cinema experience, which puts you in a completely immersive environment, where built-in motion simulator in your seat and special effects around you in the theater will perform in conjunction with the action of the movie on screen, allowing you to feel the movie and not just watch it! Please note the following regarding the MX4D experience®: Throughout the film your seat will move with on-screen action. You must be at least 40 (100cm) tall and be able to sit back and support yourself to enjoy the experience. Only one person per seat, not allowed to sit on the lap. This experience may not be suitable for people who may be pregnant, or have heart, back, head, leg or neck diseases, or any other physical restrictions, or those who may have reactions to odors, fog or strong lighting effects. Visit MX4D Official Website: MX4D® MX4D is also available at Point90 Cinema is the first major multi-cinema in the fifth settlement, New Cairo, located directly in front of the American University in Cairo, within the Point90 Center. For every festeggiare questo anniversario è nata una tournée chiamata aldo Giovanni e Giacomo better than live 2016 con la quale ripercorreranno i loro più grandi successi, riproponendo gli sketch più amati dal pubblico e mai portipiati in scena Theater after the original tour. On Thursday, April 21 in Palalomatica, the only date in the capital, their fans will not only be able to see historical drawings such as La Montana, Anna Gemelli, Scuola de Bolisia, drole, also brought in the latest edition of Sanremo, Sicilian School, Ajeje Brazdorf, Dr. Alzheimer's, Journey, Museum of Modern Art, ATMs and many more. On stage, some memorable scenes from their film and television productions such as Bulgarians, Nico, Johnny Glamour, Tavazi, Rolando, Swiss, Count Dracula, The Rulers, The Three Tenors will be shown. Thus, the new show is a unique event and can not be missed not only for fans, but also for those who have never been lucky to see the trio in the theater. The viewer will be thrown in a impossible dimension not to love, in the company of characters and graphics that wrote the story of italian comedy in the best successes such as the courts, the Hill Chi Telon and Amplagghed have come the opportunity to regain lost time. The trend is entrusted as a tradition of their great friend Arturo Brachetti, who directed them in all the theatrical performances and on stage there will be the inevitable Sylvania Vallesi. Aldo Giovanni and Chiacomo will also be accompanied by the Great Good Companion Orchestra, just as in Chi-Il Telon. But Aldo Giovanni and Giacomo are also looking to the future and promise a nice surprise for their fans who are waiting for their children to return to the big screen: there's an idea for Dooku, but we also want to go back to television, maybe with our own series.
