For this reason, we have created a new platform to create dialogue about violence in the media: STOP MEDIA VIOLENCE is a platform aimed at combatting violence in the media. The platform was created for everyone who cares about freedom of expression and fundamental rights and for all of those who want to protect themselves from prejudice and violence. STOP MEDIA VIOLENCE was created by Never Again associations (Non-Violence Associations) in collaboration with European civil society.// Copyright 2012 The Go Authors.
