Please read our website regulations There are many ways to bet on the game of rugby union. One thing to note is that some bookmakers include extra time and some don't, so it pays to do your homework. There is a small chance of a draw if the scores are still level after extra time, but this doesn't happen often enough to warrant too much attention. Here are some of the most common betting markets: Also known as the win market, simply choose which one you think will win the game. The line of rugby union is simply a disadvantage. If the line is set to -9.5 against your team, you must win by at least 10 points before the bet is cashed in. Alternatively, if the line is +9.5 for the selected team, you will have to lose 9 points or less in the bet cash. The total number of points the bookmaker sets in the match is yours to decide whether the amount passes or not. Guess which player scores the first try in a rugby match. With less risk than the first try scorer bet, choose a player who scores at any time during the game. This combination is in the Head to Head and anytime Tryscorer markets. Select the player to score a try at any time and his team to win and if both choices are successful the stakes are the winner. The biggest annual international competitions include the Rugby World Cup and the Six Nations Championship between England, France, Ireland, Italy, Scotland and Wales. Rugby league in the southern hemisphere is competed by Australia, New Zealand, South Africa and Argentina. Transnational club competitions include Super Rugby in the Southern Hemisphere and Japan, Pro14 in Europe and South Africa, and European Cup Europe. Other club competitions include the English Premiership, French Top 14, New Zealand Mitre 10 Cup and South Africa Currie Cup. Some of the best rugby union players of all time include Zinzan Brooke, Gareth Edwards, Jonny Wilkinson, Martin Johnson, Jonah Lomu, David Campese, Brian O'Driscoll, Michael Jones, Alun Wyn Jones, Matt Giteau, Fourie du Preez, David Pocock, Owen Farrell, Brian O'Driscoll, Beauden Barrett, Dan Carter and Richie McCaw. Watch rugby union highlights to catch all the action including try scorers. Watching rugby highlights can better understand how teams play if they can't watch matches live. Get the latest rugby union news to keep you up to date with teams, players and tournaments. The World Rugby website has all the news about international competitions, while every club competition will have specific websites. Follow Rugby Union on social media so you don't miss important information about your competition or club. Players are becoming more active on social media so you can follow your favourite rugby player. Rugby Union left England around 1823. The first rules and laws of the game were written in 1845 and were originally known as rugby football. International rugby union matches have taken place since 1871, when Scotland took England to Edinburgh. In 1895 there was a division between rugby union and rugby league and the game of rugby union spread across the British Empire. Countries such as Australia, New Zealand, South Africa and France have a strong relationship with rugby union and it is an important national country such as Fiji, Samoa, Tonga, Georgia and Madagascar. Rugby union has influenced the formation of other sports, including American football and Australian rules. James Naismith, the man who invented basketball, played rugby at McGill University. The Rugby World Cup was first played in 1987 in Australia and New Zealand and takes place every four years. The first World Cup Sevens tournament was held in 1993 when the Rugby Sevens were introduced to the Commonwealth Games in 1998 and added to the Olympic Games since 2016. Rugby union was an amateur sport until the 1995 World Cup, when payments to players were not restricted and the game became professional. Professional.
