Every one I use, the spin movements don't turn. He's vibrating with a brush. I don't remember, but I think they had a full 90 degrees back and forth spinning. If orally-B electric toothbrush and looking for manufacturer-original accessories for the brush, then you have come to the right place. In this we list all the original accessories that you can buy for the Oral-B toothbrush together with the supporting information, such as the brushes with which the accessory is compatible, which is included and where to buy it. Although original parts of Oral-B are recommended, we are aware that there are many similar or compatible products from other companies. Therefore, in addition to Oral-B, we have included a number of carefully selected third-party brand supplements in addition to Oral-B supplements. The benefit in most cases is usually the price. Brush heads Replacement brush heads are the most common addition and spare part that we think people need for their brush. To keep things simple, because there are several different heads, visit our post explaining the Oral-B head brush for all the details about them, including links to purchase. Charging stands & power adapters Are the following options you have when it comes to filling stands for Oralno-B electric toothbrushes. Oral-B 3757 Mini Trickle Charger / Charging Stand – US Official Oral B Part. This is a standard charging stand/travel charger that comes with all Oral-B electric toothbrushes. If you need a spare or replacement, this is designed to charge your orally-B electric toothbrush. It is made for the United States with a 2-pin plug and support for 120v. Compatibility: Oral-B Vitality, Pro 500, 1000, 1500, 3000, 5000, 6000, 7000 and 7500. Genius Pro 8000, Genius 9600. Parts numbers: 84848387 Where to buy: BraunAmazonBaySmall Oral-B Mini Trickle Charger / Filling Stand – D20 Plus Type 3765 – USA Official Oral B Part. This is a standard charging stand/travel charger that comes with selected orally-B electric toothbrushes. If you need a spare or replacement, this is designed to charge your orally-B electric toothbrush. It's built for the U.S. with a 2-pin plug and 120v support. Compatibility: Genius Pro 8000, White Genius 8000, White Genius 9000, Black Genius 9000, iBrush 8000/9000, Genius Series 8000/9000, D701.5xx.5, D701.5xx.6 Parts numbers: ON Where to buy: Oral-B Charging Stand / Charger – EU/European Official Oral B Part. It's a standard charging stand/travel charger that comes delivered with all oral-B electric toothbrushes, and the difference is that the power connector and voltage are supported. It has a 2-pin power adapter for EU/European sockets, not usas sockets of 2 pins. It supports the 220/240v used in Europe. Compatibility: Vitality of Oral B, Pro 500, 1000, 1500, 3000, 5000, 6000, 7000, 7500, Genius Pro 8000, Genius 9600. Part numbers: 81477283 / 045902197816 Where to buy: BraunElectric Shaver StoreeBayOral-B 3755 Charging Stand/Charger – Global A official Oral B part. It's a new style of charging racks introduced in 2018, which is used to fill your electric toothbrush. Compatible with all electric toothbrush, no power cord into it. Instead, it uses detachable orally-B electrical traces such as those listed below (parts numbers 81577244 and 81577236). The lack of a fixed power adapter in effect means that the stand can be used globally, provided that the appropriate power adapter is used. Compatibility: Vitality of Oral B, Pro 500, 1000, 1500, 3000, 5000, 6000, 7000, 7500, Genius Pro 8000, Genius 9600. Part of the numbers: 3755 Where to buy: Oral-B Power Lead – White A White Oral-B branded USB power cable for USB enabled charging offered by Oral-B with certain electric toothbrushes, most likely, genius pro 8000. 2 pin connector at one end is designed to connect to American sockets. The other end of the cable is a proprietary 2 pin connector that fits in the D701 USB travel box. The adapter supports 100-240v, so it can be used when traveling, you may need an adapter for the socket / plug. Compatibility: For use with the Oral-B D701 white/black USB charging device supplied with the Oral-B Genius Pro 8000 and Genius 9600. It also powers a 3755 charging rack. Part of the numbers: 81577244 Where to buy: Oral-B Power Lead – Black A Black Oral-B branded usb power cable provided by Oral-B with specific electric toothbrush, most considered, Genius Pro 8000. 2 pin connector at one end is designed to connect to U.S. sockets. The other end of the cable is a proprietary 2 pin connector that fits in the D701 USB travel box. The adapter supports 100-240v, so it can be used when traveling, you may need an adapter for the socket / plug. Compatibility: For use with the Oral-B D701 white/black USB charging device supplied with the Oral-B Genius Pro 8000 and Genius 9600. It also powers a 3755 charging rack.
