The only characters who can do this are Sakura, Hinata, Shikamaru and Kakashi. Restore the chakra to restore the chakra (energy), hold. Hold. You will be defenseless while recovering the chakra. Extra jutsu During the game, like any character, click Down (2), Circle to perform jutsu. Inner Sauke and Inner Kakashi fight Sakura and use Sauke or Kakashi in The Sharingan special. Then click Down (2), Circle to use Inner Sauke or Inner Kakashi. Sauke or Kakashi with a sword Perform sharingan super move either sauke or Kakashi during the orochimaru or zabuza battle. If you complete the move, Sauke or Kakashi will have a sword (depending on who you are fighting). Saske with a cursed sign and sharengaurd eyes When activating Sauske, (cursed marked) in the last part, when the cursed Mark Soske attacks with a lightning-covered hand, look closely at his eyes. His eyes are separated. Note: Sharengaurd will not work on the Curse marked Sauske. Exchange a glitch with the Curse-marked Sauke Unlock the Curse-Marked Sauke, and then use the Curse-marked Sasuke special when he uses the Lightning Blade. After he uses it, look at his eyes. Sharingan should be activated, however you can't use Sharingan afterwards. Easily wins during the battle in the shelter of zabuza, teleport at the top of the battlefield, where the bed is located. Run left or right under the ropes. Jump on the rope and run to the left if you choose the right rope; or to the right if you chose the left rope. When your oponent jumps to the other side, attack him or her on their side of the rope. It will trap them between you and the tree. It is easy to complete a Tug War on a Bridge mission to play like Sasuke. Follow haka and hit the Circle repeatedly. You have to get three extra strokes down. Then use Sauke's second special (Windmill Triple Attack/Fire Style: Dragon Flame Jutsu) to defeat Haku. Comment Dynamic First Dish Select Two Players mode and use Kakashi's Sharing. Copy Sakura Chakra methods. Instead of telling fair tales for real, he will say: Dynamic dish. Hidden Scrolls The easiest way to get hidden scrolls is to complete the goal in practice mode. This won't work for Kikyo Castle, the shelter of the zabuza or the scene of the Great Naruto Bridge. Get these scrolls in two player mode for free and one of the players doesn't move. Ramen Ichiraku stage: Strike all the lanterns at the lowest level of this stage until they glow red and are about to break down. Don't break them. If done correctly, you will receive a hidden scroll. Hokage in Mountainside Images stage: jump up and down on the top of the tree to the left of the center of the ring. After about ten jumps you will get a hidden scroll. Hero Memorial Stone Stage: Kick your enemy supporting the character five times to get a hidden scroll. Survival Exercise Earth Stage: Destroy Practice mannequins appear on the back of the plane to get a hidden scroll. Look out of the tower stage: This is one of the hardest scrolls to receive. To get the scroll, break down the purple barrier that stops stops from the displacement of the aircraft. Then go to the head of a giant frog. You have to jump from the frog's head to the snake's head without falling or touching the ground. The easiest way to do this is to go ahead, then double jump at the last moment. Then make an aerial leap to the head of the snake. Then go back to the frog's head using the same move. All this must be done before the snake starts breathing fire. Once you get back to the frog's head, you get a hidden scroll. Chunin Exam Stadium Stage: Run into a hole in the ground five times to get a hidden scroll. Make sure you wall run out of the tunnel every time. Kikyo Castle Stage: Stand on

the top tail tip of the fish statue in the upper right corner of the rear plane while the timer sensor ticks down for ten seconds. Exercise Ground Forest Of Death Stage: Attack the fish swimming in the stream three times to get the scroll. The cover-up stage: stand at the top of the building and wait for three sensor time counts to get the scroll. Great Naruto Bridge Stage: Stand still on the boat for a three-point timer sensor to get a hidden scroll. Kazekage's Mansion Stage: Attack the vending machine between fifteen and thirty times to get a hidden scroll. Sunagimo Estate and Buddha Statue Stage: The plane shifts up to the top of the level and destroys an object flying in a tornado. It will take more than one tornado to complete this. In Freebattle mode with one or two players, use Sasuke and fight Naruto eleven times or more to get a hidden scroll. Chakra techniques you can make jutsu without using secret methods. Click down (2), Circle to perform the following chakra techniques: Gaara: Cursed Sandstorm Disengagement Result: Uses Shukaku's hand to hit the enemy. Haku: Thousand Eagles of Death 1 Result: Water splashes, freezes them, and fires sharp ice needles. Hinata: The result of medicine: restores health, attack and speed. Kakashi: Thousand Years of Death Result: Goes behind the enemy and gives them a painful poke in the ass. Lee: Leaf Whirlwind Result: Spins a leg around an opponent's trip. Naruto: I overworked him! Result: Farts to make the opponent weak. Neji: Result rotation: backs as the top for counterattack. Orochimaru: Blade Technique Result: Slashes the enemy with a powered sword. Sauke: Fire Style: Fireball Jutsu Result: Beats a big flame to burn the enemy. Sakura: This fairy tale is for real! Result: Uses Inner Sakura to make a flurry of punches. Shikamaru: Now, Choji! Result: Summons Choji on the battlefield to use the man Boulder, and crushes the opponent. The zabuza: Water prison Jutsu Result: traps the enemy in a bubble and then crushes the enemy. Kick all the problems Guy (first option) on the training grounds.
