

8th November 2020

It is time to turn our attention to our annual Missions Sunday - coming on 13th December 2020 when I will share a Missions sermon. The Household of Faith was born out of our passion for missions and sharing the word of God.

Currently, our Missions Fund stands at \$22,660 and we look forward to increasing this on Missions Sunday this year. Like everything we do at the Household of Faith, contribution to our Missions Fund is freewill.

This year has been a difficult year for many, with some facing financial struggles due to the pandemic. God is good, has preserved our health and even enabled us to reach out to more people through live streaming.

We are thankful for our faith and well-being, and are blessed with the opportunity to pass it on during Missions Sunday.

The Bible gave us a wonderful example of the Christians in Macedonia in 2 Corinthians 8:1-5 *Moreover, brothers, we make known to you the grace of God which has been given in the assemblies of Macedonia; how that in much proof of affliction the abundance of their joy and their deep poverty abounded to the riches of their liberality. For according to their power, I*

testify, yes and beyond their power, they gave of their own accord, begging us with much entreaty to receive this grace and the fellowship in the service to the saints. This was not as we had hoped, but first they gave their own selves to the Lord, and to us through the will of God.

What a splendid example! Here we observe that despite their circumstances they demonstrated these 8 qualities so that they could serve the needs of Christians in Jerusalem:

- in much affliction
- abundance of joy
- deep poverty
- riches of their liberality
- according to their power
- beyond their power
- of their own accord
- first gave of their own selves!

Please pray with us as we look forward to the coming Missions Sunday 2020 in just over a month's time.
