

ADVENTURE SUMMER CAMP AND MULTISPORT CAMP AT MIS

JUNE 29th – JULY 12th 2020

This year we will run the multisport camp for ages 11- 16 alongside the Adventure camp for ages 5 – 11. The multisport camp will run for one week and will be followed by the Garda camp in Italy from the 4th till 12th July. For a further description of the Italy camp please see the separate information letter “Garda Camp”.

The camp runs Monday – Friday from 9.30 – 15.45. The camp is centered on the MIS campus but uses facilities through the southern Bavarian area.

This is a great opportunity for students to enjoy their vacation and to learn lifetime skills. Our camp philosophy is to create an educational experience in a fun holiday environment where opportunities are provided to build motor skills, artistic ability and cultivate a healthy lifestyle. Our counselors focus on helping students build self confidence in whatever they are doing and develop the capacity for creativity, adventure and athletic ability. The counselor to student ratio of 1 – 6 ensures a high level of care and safety.

Camp activities will be taught by qualified activity specialists assisted by camp counselors.

Fridays will be a camp outing day for the adventure camp. Week one includes a visit to Alpenwarmbad Benediktbeuern Waterpark and Week 2 a visit to Oberammergau. The kayaking section of the multisport camp will make day trips to local rivers.

There will be an overnight scheduled each week on Thursday.

The camp is split into 3 Sections

ADVENTURE CAMP SECTION ONE: Grades EC, 1st & 2nd grade
