Inside you will find interviews, features and comics that cover all DD. App Store Google Play Web FASTDICEROLL.COM companion website is now up, another online alternative dice roller. When placing in zoom and sharing screens, it allows the DM to share the screen for big fights without lagging behind found in some VTT and chatbot bone rollers. Check it out, feedback is welcome! And yes, updates from the Tasha source will be added along with the long overdue Xanathar subclasses and spells. The site will also include Eugene Marshall's great ideas from pedigree and culture: An alternative to race 5e once compared to how Tasha handles a similar rule. WORLD from our NON-SPONSOR FLGS Please ask your friendly local gaming store about mail ordering and roadside pickup purchases. Amazon may be faster, but it's as soulless as Vecna. For the future good of the game, share the word that they need our help - by which I mean our money. - Management (in the U.S.) - Search for friendly local Locator via GAMA gaming stores Dungeons and Dragons and DDD are owned by Wizards of Coast LLC in the U.S. and other countries. ©2020 Wizards.D'D Compendium is not affiliated, endorsed, sponsored or specifically approved by Wizards coast LLC. I took the official DnD_5E_CharacterSheet - Form Fillable and made one simple update: I switched it using a sign to fill it out to be Adobe Reader Advanced format, so you can enter the margins and save non-switching modes. Hit me with any other recommendations on how we could improve it.v1.3 moved back to Verdana with auto-scale fonts. Increase the size of some fields.
