

Russia Platinum 3, 6, and 12 Roubles of Nicholas I (b 1796; 1825-1855)

A profoundly original phenomenon was the striking by the Russian state of new platinum coins with the value of 3, 6 and 12 rubles from 1828 to 1845. Russia is the only country in the world that struck platinum coins for circulation composition 9 parts gold & 68 parts of “pure Urals platinum”
