
My Baby Left Me

My Baby Left Me by Elvis Presley

from www.traditionalmusic.co.uk

Yes my [E]baby left me, never said a word.
Was it [E]something I done, something that she heard?
My baby [A7]left me, my baby left me.
My baby [B7]even left me, never said a [E]word.
Now I [E]stand at my window, wring my hands and cry.
I hate to [E]lose that woman, hate to say goodbye.
You know she [A7]left me, yes, she left me.
My baby [B7]even left me, never said a [E]word.
Baby, [E]one of these mornings, Lord, it won't be long,
You'll [E]look for me and, Baby, and daddy he'll be gone.
You know you [A7]left me, you know you left me.
My baby [B7]even left me, never said a [E]word.

Now, I [E]stand at my window, wring my hands and moan.
All I [E]know is that the one I love is gone.
My baby [A7]left me, you know she left me.
My baby [B7]even left me, never said a [E]word.
(Orig. = Capo 1)
