Lina Peroso shared the first excerpt from her upcoming novel Eres Mio Lina Peroso, author of The Biology Of The Randycon, shared on social media groups, the first preview of her upcoming book You're Mine. I hope you enjoy it as I am in writing. she said. Here's a little advance. (..) He did not look at her and knew very well why he did not, he did not want to feel unhappy, knowing that she expected more, that it was much more for a woman who sighed on her chest, but that for him it was only an escape, a banal act, only saturating the appetite, something basic and without more Nathan. He asked when he saw the silence in it, I was just thinking, he said without much attention. What's the thing? She asked interested. In everything and nothing. He asked, looking at his gaze, showing a slight smile. (..) Read the full snippet by entering the EAO. The novel by Mia A.G. Koller can now be purchased in the pre-distributions of A.G. brings us his first novel, Mia. A story in which fate is again responsible for crossing paths unexpectedly, or rather, is responsible for REECONTRARING two paths that have been separated by issues that we do not yet know. A novel that tells us about the decisions, changes and mysteries that will envelop us immediately. The book will be released on Amazon on June 3, but you can now purchase it on pre-sale. One of the most beautiful sagas of the time continues to sweep and cross borders, as this time the story of Samuel and Rachel goes to the U.S., as their English version will be published on June 19. Lily Peroso, the author of the saga, explained that she still does not know whether the cover will remain the same, but undoubtedly the story will have the same magic, charm, passion, romance. I will have all our grammars, only this time it will be in English. If this continues, I have no doubt that this beautiful novel will soon be on television. The novel was published on May 22 this year and had incredible recognition among readers of romantic novels, because thanks to its narrative, Isabelle transported us to a beautiful story as a story that shows us how from one moment to the next, our lives can change and move away from everything we are used to. A story with unforgettable characters who lived a novel that make us breathe. Would you dare read it? Then click here. Norma Estrella is preparing to bring us the Days of Sangria and Rosa, 2nd. Part of the saga I love Barcelona Witter shared on the networks the cover of her next book and explained that in it we will discover everything that left us intrigued in the first part. I want to know if Jordi, a police officer, solves his conscience problems. If you want to see that one and Diego's life as four years later, you'll find it all in the second part of the saga I LOVE BARCELONA the author shared. What do you think? The whole story of Rab Aurelia in one book and at an incredible price. Aurelia Ardent wanted to pamper her followers by posting one volume with four parts that make up the story of Aurelia and Victor (our Victor). Can you imagine? If we wanted to kill the main character and tell in love with Victor in two books and two stories, not to mention that the whole story would be in one book about 1600 pages. The best price is as the book sells for as little as \$7.99 on Amazon! So run and buy the book. It is right and necessary for all of us to remember why we love this story so much. If you haven't read it yet, this is your chance. Just take ASV. The end of Amrei Kangar's game comes to us in July! Remember how the game started? Well, the trilogy is coming to an end in the month of July! What do you think? Finally we'll know what the story of Kara, Owen and Alex that have had us in the stream all along will be. I really don't know how these relationships started as the game is going to end. Now we have to see who will be the winner. The Moon Messenger the second part of the Ana Ane's SIMIL, saga leaves around August. Due to the great recognition that the first part of the story, Los Lunas Perdidos, was, the writer Ana Andes decided to publish the second part of the novel in August. The cover is currently under construction and the author is under consideration. I remind you that this novel consists of 10 books, so we have a lot more of this amazing story. Let's take a break from the poetic prose let's love And the poems have come to Reading clouds, and they do so by the hand of Nicholas Androski, a young Argentine writer who brings us his book Let's Do Love. A book in which we will find compositions that awaken us infinite feelings. This book is full of poems, poems that will invite you to jump beans, get out of the routine and take the, verses of firing and falling, poems that ropes, which from well to sky. Poems of equality, freedom, poems to fill reality with fantasies. Let's Make Love is a book inspired by the Book of Hugs by Eduardo Galeano, so we will find works of poetic prose and diagrams with drawings. The content of its pages will cause us to get lost, we are afraid, we stumble, we meet, we encourage ourselves, you will know that there is this best thing that can happen to you. To purchase a book, you can do it by typing e. The historical novel is on its way! Yes! Between Love and Duty is a novel in which Sr William and Lady Marie will be the protagonists of this new love story. Apparently, the novel introduces us to the main character-man who will leave a few in love with her pores and personality. In addition, the story has a number of unexpected twists that will keep us on the verge of despair. The book will be published on June 26, but Maene has already shared the cover with her followers. What do you think? Kathalee Trueba's Legacy will be published on June 3th We come up with another book, I'm talking about Catali Trueba's Legacy. A novel in which two people who lived in a quiet, find themselves, and apparently that meeting, comes to spoil it all. Feelings, thoughts and things you haven't experienced before you start appearing, but as always, late makes its moves and has the ability to make things change the moment you least expect it.
