.. it is sure to challenge even the most experienced of players. Game Overview: You play as a deranged scientist. Your mission is to spread fear and chaos to the townspeople. While your accomplices are busy destroying town property and terrorizing the peaceful inhabitants, you get to sleep in. However, you are soon awakened by the sound of screaming and then...bang! The night is filled with blood. Luckily, the police are able to chase off the evil masterminds. But now it's your turn. Your mission is to catch the killer and get out alive. You are the only one who can complete the job. Some might say that the most dangerous places are in our homes. What happens when the dangers are those close to home? Do you know who or what is lurking behind closed doors? Detailed Description: The objective of the game is to find the murderer, find the evil doers and capture them. You may or may not be able to save the innocent, but you will find that capturing the bad guys can be even more rewarding. Throughout the game you will collect items such as newspapers, clothes, underwear, weapons, guns, trophies, photos, strange messages, and more. If the enemies kill you, you will be revived at the nearest hospital. Be careful not to get killed too many times or the game will end and you will be forced to start over at the beginning of the level. You will be able to find medicine at the hospital, but keep in mind that the medicine may or may not work. They will be able to revive you, but it will take time and you will be forced to wait while you wait for your body to heal. You will also be able to talk to your mother and father. After every level you will be able to unlock more weapons, clothes and trophies. Some of the weapons you will be able to find throughout the game. Wolverine Lethal Weapon Sonic Boom Katana Sword Hand Cannon Grenade Gun Stealth Scope You will also be able to unlock clothes and trophies as you complete more levels. There are many items to collect and levels to unlock in Time Warpars. As you progress through the game, you will be able to use these weapons to protect yourself. As you progress through the game, you will be able to use weapons such as the grenade gun and hand cannon to protect yourself 520f(b1ae7
