The funds raised from this year's Cocktail Party will allow programmes to be run at lower decile schools in the region to help 'Change Lives' by raising awareness of healthy eating, regular physical exercise and sport training and development, and individual performance improvement to transform our school kids and help them be the best they can be.

Legendary, GRAMMY-award winning band Fleetwood Mac earlier this year announced their highly anticipated return to New Zealand this September.

"Fleetwood Mac has always been about an amazing collection of songs that are performed with a unique blend of talents. We jammed with Mike

"We are thrilled to welcome the musical talents of the calibre of Mike Campbell and Neil Finn into the Mac family. With Mike and Neil, we'll be performing all the hits that the fans love, plus we'll be surprising our audiences with some tracks from our historic catalogue of songs," said the group collectively. "Fleetwood Mac has always been a creative evolution. We look forward to honouring that spirit on this upcoming tour."
