The trend, in English, and especially in American English, is to standardize illegal phrases. We don't foreseen all non-rule words that are ever standardized, but some smaller variations in less used words will likely disappear in the next one or two generations. The following English indigestion phrases are now obsolete and use past forms and standard stools (-ed). Simple infinitive past feces from burning dream dreams learn to learn the smell of synling spelling spelt PDF-files Thanks to Brian. To assist you in learning, the most common unusual English phrases have been grouped below, following their ending pattern. Group 1 – All three forms of the prncy are the same simple base form past betting costs cutting costs of cutting the hurt hit hit that allowed the set to close Group 2 – Forms 2 and 3 of the same simple base form through the lost participle shot lost shot get the lit light sitting sitting keeping sleep asleep felt left to meet the satisfying bear bearing buy-to-let fight was fought thinking that caught teaching semi-selling told to pay the pay done stand understandably lenders sent sending construction spending to be built found to have heard keep reading (pronounced red) read (pronounced red) read (pronounced red) read (pronounced red) read pronunciation is red) read (pronounced red)) says group 3 - All three forms of the word is different Base Form Simple Past Participle driving riding increases increased writing bit bite hidden breaking select pick talk wake-up wake-up blow grows to know how to fly flying drawing Drawing shows wear worn torn begin to drink drunk swimming ring vibrating vibrating sung eating fall forgetful shows show lost to all our teachers: There are many language schools and other educational institutions closed now because of the Coronavirus situation.
