Die Schwinn-produkwaarborg maak dit moontlik om 'n onvergeetlike toring-op-die-pad-ervaring te hê. As u kleintjies op u inkopie-rendezvous wil merk, of u wil u aansienlike inkopielading terugsliep, is dit die fiets vir u. – >Shop by Amazon.com <— (click here) Trailblazer Double bicycle trailer review The Trailblazer bicycle trailer comes reinforced with a lightweight aluminum frame. This does not compromise on the stability, and the load withstanding capacity of the trailer. In fact, the trailer will comfortably accommodate two kids with a load weight of up to 100 lbs. If you are worried about attaching the trailer onto an adult bike, you will find it handy. This is because the coupler will easily connect with most bike models. Remember you don't have to be a bike technician; the set up is easy to mount and to unhitch. The good thing with the Schwinn Trailblazer Bicycle Trailer is that once you reach your desired destination, you can easily convert it to a stroller for your kids. The zipper flaps allow you to zip up to allow breeze into the trailer's compartment in hot weather, or close up in bad climate. Don't worry about the wheels while the trailer is set for the road; they are easily detachable and will allow you to easily store the folded up trailer in seconds. Your kids can bring along their favorite snacks or drinks, and use the side pockets to hold their stuff on the road. If you are strolling, the rubberized handle bar will allow you to set it at a different level for easy maneuvering. This bike trailer easily accommodates two kids, but the seating spacing should be enlarged to provide comfort for the little ones. The safety straps should also be reinforced to enhance physical protection. An additional sunshade can make kids ride relaxed and cool on a super hot day. The 2020 Schwinn Trailblazer comes available in two colors. Those are red and yellow. The blue painted model, as seen here, is not available anymore. —> Find meer werklike verbruikers resensies hier . . . Staan uit funksies & spesies Wanneer jy kies vir die Schwinn Trailblazer Fiets Sleepwa, jy sal geniet talle funksies wat dit een van die fiets sleepwa vir kinders in die fiets wêreld maak. Die 20-duim wiele is nie net geskik vir ongelyke roetes nie, maar hulle rol vinnig. Die iggewig raam dra ook by tot die vinnige mobiliteit. Jy sal 'n 3 vind safety tape, which consolidates safety on board. The dual use roof makes the trip cozy, with enough protection against hard weather, bugs, or even dirt. When your kids sit in the trailer compartment, they'll enjoy the soft padding on the seats, and they'll wish they could drive for the whole day. You'll find the Schwinn Trailblazer Bike Trailer an exceptional choice, with excellent reviews on most bike trailer comparison forums. Quick release pneumatic wheels Stroller/jogging trailer Standard adult bike compatibility Metal and steel skirt 3-point safety harness 24 lbs in weight Aluminum frame is lightweight for easy handling 20 pneumatic straps with aluminum rims offering optimal performance Folding frame design with quick release wheels making compact 2-in-1 canopy includes a bug screen and weather screen Versatile bike coupler attaches to most bikes Deluxe harness & seating with padding for added childhood convenience Parking brake provides extra safety while in stroller mode The Schwinn Trailblazer double bike trailer fits two kids up to 40 lbs each and is a great way to get the kids out for a ride while you get exercise. The lightweight aluminum frame is easily folded and the quick release wheels come off in a stand-in for easy storage. The trailer comes with a 2 in 1 roof with a bug screen and a weather screen. The versatile coupler attachment suits most bikes. This trailer includes a stroller kit that transforms the bike trailer into a stroller kit in seconds. A parking brake while used as a stroller provides extra safety. A luxury harness and seating with padding for added childhood comfort A children's bike trailer is great when you're on the move, but what happens once you arrive at the grocery store? With a normal trailer you park just outside, but with the Schwinn Trailblazer, you can transform it into a handy stroller and bring your kids inside - all without tools. The Trailblazer sports a durable, lightweight aluminum frame and 20-inch, smooth rolling wheels perfect for cycling, walking, or jogging even on bumpy terrain. Up to two children are kept safe with five-point harnesses and are protected from rain, wind and other indecency weather with a zipped weather screen. A screened roof provides a lot of ventilation. The trailer is designed for fast, tool-free conversion, with a universal trailer coupler that attaches to most bikes and a flip-out front wheel and steering bar for the stroller. It's easy to use, fun, versatile and designed for older comfort. Other convenient details include quick release wheels, flat fold for easy storage, and a rear storage area for extra items. Specifications: Durable Aluminum Frame Barrel a stroller without tools Stroller wheel and push bar for walking or running 20-Inch Alloy Wheels Rear Storage Area Zipped Weatherscreen Screened Roof for Ventilation Seats Two Kids Dual Harness System Weight Capacity: 100 Pounds Folding Flat for Storage Quick-Release Wheels Universal Trailer Coupler Folded Down Measurements with wheels: 32 x 31 x 19.25 inch Assembled dimensions: 35 by 33 by 31 inch Manufacturer Warranty Five-year manufacturer's warranty Over Schwinn founded in 1895 , Schwinn is an American icon that was synonymous with quality and innovation. The company has built some of the best-known and best-known bikes of numerous generations - Aerocycle, Paramount, Phantom, Varsity, Sting-Ray, Crate and Homegrown. Today, Schwinn is still a leader in the industry with innovative bikes such as the new Sting-Ray, Rocket Mountain Bikes and Fastback Road bikes. With a continued dedication to quality, forever synonymous with the Schwinn name, America's most famous bike brand is looking forward to providing another century of innovation, freedom and performance to people of all ages. Looking for a Schwinn bike trailer for kids or pets? You're in the right place. This guide aims to show you what are the main types of bike trailers manufactured by the brand, how to choose one and what are the best models on the market. If you don't feel like reading, click on the links in the table below and check out the five most popular Schwinn bike trailers. Schwinn is one of the biggest players on the cycling market. Manufacturing bikes and cycling gear since 1895, the brand is synonymous with high-quality and reliability. Although the company is currently owned by Pacific Cycle, the brand is still popular all over the world. Besides bicycles and related gear, Schwinn also manufactures a line of bike trailers. Including passenger and cargo models, Schwinn bike trailers are known for many reasons. Come's find out why cyclists love them and how to choose one for passengers. Schwinn. A brief history-found in 1895 in Chicago by German engineer Ignaz Schwinn, the company introduced the Americans and the world to a series of high-quality bikes and cycling gear. The brand became the dominant manufacturer on the U.S. market in the twentieth century, despite its internal struggles. In fact, Schwinn company declared bankruptcy in 1992 and the brand was sold to Pacific Cycle, a company owned by Dorel Industries. Somehow, Pacific Cycle has contributed to the proliferation of the name around the world. As a distributor of bikes and cycling gear manufactured in Taiwan and China among several historic U.S. cycle brands, Pacific Cycle began exporting the brand to markets outside the U.S. Today, Schwinn brand is used for a series of low-end bikes sold by retail distribution chains and a series of high-end bikes that the brand is being sold's website and selected merchants. Nevertheless, the name is synonymous with quality and and is the reference brand for many enthusiasts. Types of Schwinn Bike TrailersWhen it comes to cycling gear, Schwinn boasts a series of passenger and cargo bike trailers. Probably the main reason cyclists love these trailers is the compatibility. In fact, if you already have a Schwinn bike and need a trailer, one produced by the brand could be the best choice. Aside from being compatible with Schwinn bikes, these trailers are also compatible with almost all types of bikes available on the market, regardless of the manufacturer. Schwinn Bike Trailers For PassengersWhen it comes to passengers, Schwinn makes bike trailers for kids and for pets. The pet range does not include a wide variety of products, but they can accommodate almost all breeds of dogs. The range dedicated to children is more varied and includes single and double trailers. Moreover, some of the trailers for children transform into stoves or joggers, for added versatility. All Schwinn trailers for passengers come with exceptional safety features, they are comfortable, spacious and offer smooth rides. Schwinn Bike Trailers For CargoThe Schwinn series cargo trailers include a series of products with multiple weight capabilities. Under their main feature, we can name the large sturdy wheels and choice of high quality materials designed to keep your load safe and away from the elements. How to Choose a Schwinn Bike Trailer for Kids and PetsPassengerDo You Need a Schwinn Bike Trailer for Your Child? For your pet? Or maybe for both? The type of passenger determines what type of trailer you need. The brand manufactures different types of trailers designed specifically for children or for pets, but a child's trailer can also double as a pet trailer. Moreover, if you want to transport both your child and your pet, a double trailer can solve the problem and accommodate both the human and pet passengers in all safety. SizeWhen it comes by size, you can choose between single or double. The names are self-explanatory, but there may be situations when a dual trailer may be more suited to a single passenger. This is often the case of owners of giant breed dogs who have difficulty finding a suitable size trailer for their furry friend. Weight capacity This is an important aspect to consider for all bike trailers. Despite the brand or purpose, loading the trailer by weight higher than its maximum capacity can reduce the safety of the trailer. The extra weight can damage the frame or wheels of the trailer, which poses a risk to both passenger and cyclist. Most passenger trailers for children have capabilities up to 50lbs, while the trailers for pets can carry up to 80lbs. Double trailers are suitable for two children with a weight up to 40lbs each. VersatilitySome Schwinn bike trailers for kids transformed into a stroller or jogger and are perfect for active parents. These models are usually equipped with quick release frontage which is easy to dress and take off. When it comes to versatility, also go to the storage space. Carrying luggage into the cabin next to the passenger poses a safety risk, it???s why most models have a separate storage space.CompatibilitySchwinn bike trailers are usually compatible with all Schwinn bikes, but not just. Schwinn passenger trailers are compatible with almost all bikes, including those with quick release axes. However, it is recommended to check the specifications of the trailer and those of your bike before investing in one.1. Schwinn Echo Double Bike Trailer Schwinn Echo Double Bike Trailer is one of the most popular passenger trailers preferred by those who want to ride with the kids. The spacious cabin offers plenty of space for two toddlers and it is ideal for children over the age of 8 months. The trailer is supported by two 20-inch alloy wheels equipped with aerial tires. Thanks to the size of the wheels and robustness of the tires, the trailer offers smooth rides on all types of terrains. As for the compatibility, the trailer comes with a universal coupler mounting to most bikes. Check Price on Amazon The weight limit of the trailer is 80lbs and the manufacturer recommends it for two children with a maximum weight of 40lbs each. However, thanks to the generous limit and space, the trailer is also ideal for a big-breed dog. Regarding safety, the trailer boasts two comfortable seats equipped with safety internesses. The seats include a helmet mesh and shoulder pads that improve the passenger comfort, while a 2-in-1 roof and bug screen keep the insects out of the way. The trailer also has a weather screen that will keep the passengers dry and cool. Things we likeCompatibility: this Schwinn bike trailer comes with a universal coupler and is compatible with most types of bikes. Wheels: the sturdy alloy wheels of the trailer measure 20 inches in diameter and are equipped with sturdy air tires that improve performance. Flag: the trailer is equipped with a safety flag and reflectors intended to make the trailer well visible in traffic. Roof: this Schwinn trailer boasts a roof that doubles as a bug screen and sunscreen. In addition, it also comes with a weather screen. Things we didn't like about The air tires are easy to damage.2. Schwinn Rascal Cap Trailer Looking to Provide Smooth Rides to Your Four-Paw Child? Schwinn Rascal Pet Trailer is the most popular Schwinn bike trailer designed specifically for pets. Ideal for cats and small to medium breed dogs, this trailer has a weight capacity of 50lbs. The trailer is designed for the comfort of the pets and has a non-slippery interior lined with a comfortable bag that is removable and washable. For easy in and out, the cabin has a back door, while the 16-inch aluminum rims and air-filled tires smooth rides on all terrains. Check Price on Amazon The trailer's frame is made of steel and has a unique unique designed that allows an easy storage and transportation. In addition, the wheels are easy to remove for the same purposes. For safety details, the trailer features an adjustable leash holder preventing the pet from jumping out of the trailer. The cabin features large mesh windows and the roof will keep Fido out of the sun or rain. Things we likeSpacious: this bike trailer has a spacious cabin specifically designed to accommodate small or medium-breed dogs. Bag: designed for your dog's comfort, the trailer boasts a non-slippery bag, large mesh windows, and a thick roof. Easy to clean: the bag is removable and washable, while the trailer is easy to clean with a damp cloth.Compatibility: the trailer comes with a universal coupler that attaches to almost all bikes. The trailer is easy to attach and take off the bike. Things we didn't like The trailer isn't big enough to accommodate dogs heavier than 50lbs.3. Schwinn Trailblazer Double Bicycle Trailer Schwinn Trailblazer Double Bicycle Trailer is another passenger trailer to consider for your extended family. The trailer accommodates two children up to 40lbs each and thanks to the additional 12lbs of gear it is ideal for family outings. Like the other Schwinn bike trailers above, this one also boasts the universal coupler and it's compatible with most types of bikes. The trailer requires a one-time installation, after which it is easy to attach and take off, fold and store on the bike. Check Price on Amazon The trailer is available in two attractive colors to match your bike or kid's preference. Regardless of the guide, a feature of the trailer is the two-in-one roof with bug screen and weather screen. The roof provides protection against elements and is waterproof. The trailer turns into a three-wheeled stroller for walking or jogging. The front wheel of the stroller rotates for easier navigation, while the steering bar is comfortable to hold. Things we likeStroller and trailer: perfect for toddlers and young children, this Schwinn bike trailer doubles as a convenient stroller, perfect for active parents. Fold: the trailer has a folding frame and fast release wheels. It collapses compactly for storage or transportation purposes. Storage: besides a cabin capacity of 80lbs, the trailer has a large storage compartment with a further weight capacity of 12lbs. Choice: the trailer is available in two colors, blue and red. It is easy to fit with your bike or with the preference of the child. Things we didn't like about the trailer aren't compatible with some pull bikes.4. Schwinn Trailblazer Single Bike trailer The only difference between the Schwinn Trailblazer Single Bike and the double model presented above is the capacity. As its name suggests, the Schwinn Trailblazer Single Bike is suitable for only one child, but it boasts dimensions that make driving with the trailer easier. The Trailblazer Single has a weight capacity of and is designed to accommodate a single child, aside from the cabin capacity, the trailer also boasts the additional 12lbs of convenient storage of baby or cycling gear. Check Price on Amazon Aside from these differences, the trailer is almost identical to the one above. The trailer comes with a universal coupler who isn't compatible with some pull bikes, it has 16-inch wheels and it turns into a convenient stroller. In terms of safety, the trailer is equipped with safety arrests, it comes with a side and rear reflectors and with a safety flag installed on a pole. Things we like: this trailer is perfect for moms of a single child. The reduced dimensions make the trailer easy to carry. Roof: the roof has a double purpose and serves as an error screen and weather screen. It is designed to keep the child cool and dry at all times. Wheels: the 16-inch wheels are equipped with air-filled tires that provide a cushioned effect at bumpy terrains. Colors: just like the Double model, this trailer is available in two colors, blue and red. Things we didn't like are a very low weight capacity.5. Schwinn Joyrider Double Bicycle Trailer Schwinn Joyrider Double Bicycle Trailer is arguably the most versatile Schwinn bike trailer for those active parents looking for a trailer and stroller for their kids. The double trailer has a weight capacity of 80lbs with a seating capacity of 40lbs. In other words, the trailer is perfect for two children with a maximum weight of 40lbs each, while the device is also equipped with a 12lbs capacity storage space for baby or bike gear. Check Price on Amazon What makes this trailer different from its counterparts in the design. The cabin is really spacious while designing the roof increases the overall height of the cabin. This means that longer children can sit comfortably in this trailer. In addition, the roof is retractable and the children can either enjoy the breeze or remain protected from elements. The trailer turns into a stroller and is easy to maneuver either attached to the bike or on its own. Things we liked: the innovative design with a retractable roof makes this trailer ideal for longer ones, as long as their weight is lower than 40lbs. Wheels: another thing this trailer boasts is 20-inch fast release rear wheels. They offer smooth rides on all types of terrains. Lightweight: the aluminum frame is lightweight and easy to maneuver, either as a stroller or axle trailer. Collapse: for easy storage and transportation, the trailer boasts a congestion design. The wheels are easy to take off for a compact storage. Things we didn't like The coupler is not compatible with all bikes. Conclusion & Final PickIn our opinion, Echo Double is the best Schwinn bike trailer on the market. Perfect for two passengers, with a total from 80lbs and 20-inch alloy wheels, doesn't turn this trailer into a stroller and doesn't have a storage space yet it serves his purpose wonderfully. The cabin is spacious and offers plenty of room for two toddlers over the age of 8 months, while the couple are compatible with almost all bikes. As an overall, the model can be improved. Still, a reliable, durable and affordable Schwinn bike trailer is to consider. Considered.
