PRESIDENT'S NOTE

February, 2009

Happy Valentine's Day to all of my fellow quilters!

On Monday, February 9th from 2 pm until 9 pm, we are having a fundraiser. It is not like other fundraisers that require you to sell or buy tickets or other items. This fundraiser only requires you to go to **Rubio's**, taking your flyer and eat and drink... no preparing food or cleaning up the dishes!! I know what you are thinking – what's the gimmick? There aren't any! When you give them your flyer when you purchase your food and/or drinks Acacia will receive 20% of your sale! You can either eat there or take your food to go. Please come eat and support Acacia. Let's make this a huge success.

Your board has been discussing **Acacia's Fall Tea and Quilt Auction**. My mom, Diane MacRill, and I are co-chairing this fantastic fundraiser. We will present you with more details at our February meeting.

Do you struggle picking out fabrics that go well together or are "stuck in a rut" with your colors of quilts? **I'll be teaching "The Great Color Quest" on Thursday night, February 5th, and then teaching a fun workshop on Saturday the 7th.**

I would like to extend a huge **thank you to Kim Hogan** who is taking over the treasurer position. The board voted her in at our January meeting. As many of you know, Lisa Sullivan offered to be our Treasurer because no one else would and Acacia was going to fold without one. Lisa has done a fantastic job! **Thanks Lisa!** With being the treasurer and Philanthropy chair she was overworked. She has a heart for Philanthropy and now can focus on it easier.

Thank you to all of the ladies who did the product testing with the containers last month. I believe that **we brought in \$70**. It is a great and easy way to make some extra money. The more money that Acacia brings in the better speakers and teachers we can afford.

I hope to see you all at the February meeting.
Happy Quilting,
Karen Waterbury

Opportunity Basket

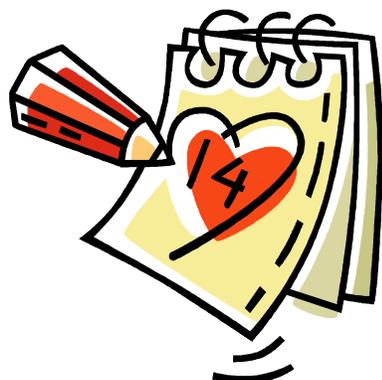

For the month of February we will have a Valentine themed basket. Tickets are three for 1 dollar, or 1 ticket per donation. Donations include fabric, such as a fat quarter, or any sewing or quilting related item.

The month of March we will not have an opportunity basket due to the brown bag.

The basket will return in April with an Easter and spring theme. For the month of May we will have a juvenile and baby themed basket. The month of June will have an ocean theme.

Please come by and purchase tickets to support our guild. Go home a lucky winner like last months winners Diane Rice and Eva Selnick.

Thank you for your donations and ticket purchases.

commitment can change the lives of many. Way to go!

And finally to **Sonia Das** - A huge **congratulations** to you on becoming the **newest president of Quilter's By the Sea**. May your term be rewarding as you guide a wonderful group of quilters in their efforts to create beauty, and serve their community side by side with one another in friendship and love.

If you know of someone who is in need of a word of encouragement or a hearty congratulations please shoot me an e-mail at kimsplayce@socal.rr.com. And, in the meantime, put up with small annoyances to gain great results.

“Cook’s Corner”
in the Newsletter?**

Phyllis Campbell suggested this column and it sounds great to me! Her idea is to publish recipes for treats suitable for sharing at a meeting—or maybe

*things which were shared and were “Gone in 60 Seconds”!
Phyllis started us off with this recipe:*

Apple Cake

1 box spice cake mix
1 (20 ounce) can apple pie filling
2 eggs
1/3 c. chopped walnuts or pecans

Combine all ingredients; mix very thoroughly with a spoon. Make sure all lumps from the cake mix are broken up (suggestion--Use a whisk or pastry blender to make cake mix "silky" before adding other ingredients.)

Pour into a greased and floured (or coated with Pam) Bundt pan. Bake at 350 for 50 minutes, or until a toothpick comes out clean.

You may substitute any other cake mix or pie filling in this cake for a different flavor.

Please fill in the blank and give to Phyllis Campbell by the start of the next meeting:

A quilter is someone
who...

(example: A quilter is
someone who buys fabric she
doesn't need to make a
quilt that may never be

The responses will be read at the
meeting and/or added to the next
newsletter, depending on the
number of responses.

Well, the Bunney Hutch is remodeled and ready for a new year of helping fill the quilting needs of the community.

I know the dates have been shuffling around a little in the last few months, but things are back in routine now and the Sew So Much at the Bunney Hutch Quilt "n" Sew will be back on schedule.

In **February** we will meet on the **27th from 11 am to 5 pm** in the classroom in the back of the shop and chat and work on our projects and even munch a little (bringing a dish to share is not compulsory—but nice).

March's date is also the 27th—how'd that happen?

*Birthstones, Flowers, Colors
And Trees*

Feb 04 to Feb 08	Poplar Tree
Feb 09 to Feb 18	Cedar Tree
Feb 19 to Feb 28	Pine Tree

POPLAR TREE (the Uncertainty) - looks very decorative, not very self-confident, only courageous if necessary, needs goodwill and pleasant surroundings, very choosy, often lonely, great animosity, artistic nature, good organizer, tends to lean toward philosophy, reliable in any situation, takes partnership seriously.

CEDAR TREE (the Confidence) - of rare beauty, knows how to adapt, likes luxury, of good health, not in the least shy, tends to look down on others, self-confident, determined, impatient, likes to impress others, many talents, industrious, healthy optimism, waiting for the one true love, able to make quick decisions.

PINE TREE (the Particular) - loves agreeable company, very robust, knows how to make life comfortable, very active, natural, good companion, but seldom friendly, falls easily in love but its passion burns out quickly, gives up easily, everything disappointments until it finds its ideal, trustworthy, practical.

Purple

The historic use of purple to denote royalty or nobility can be seen in the oldest art forms, from

February: Amethyst marks the month of February. Amethysts have long been associated with special energies thought to open the mind. The stone was found in quantities large enough to make it available to both royalty and commoners alike.

Amethyst calms the mind and is said to help break unwanted habits. On an emotional level, it helps to balance body, mind and spirit. This stone is closely tied with [Aquarius](#), a sign that represents people who are true visionaries and humanitarians.

The color of the violet, February's flower, has a close tie to the crown chakra that gives a person their connection to the divine. Violets represent independence, creativity and progress.

February	Violet, Primrose	 Amethyst, Bloodstone, Onyx, Moonstone.	Sincerity	Light Blue, Yellow and purple
-----------------	---------------------	--	-----------	---

portraits to statues to burial sites of ancient kings and queens. Use purple if you want to appear aristocratic or wealthy. Because of its often muted tone, purple is not pretentious. It will enhance your environment without coming across as loud or obnoxious. It does not scream, "Look at me, I'm somebody." Rather, it subtly reminds guests or friends that you are someone special, someone with class and dignity.

A Thank You Note from Kennedy High

John F. Kennedy High School Update

Thanks to the generous donations from guild members, John F. Kennedy High School is on its way to get sewing imbedded into the visual arts curriculum.

Currently, the visual arts department is proud to announce that a total of 14 sewing machines have been donated to the program along with a variety of fabric swatches.

The sewing machines are currently being serviced and students will be able to start using them in about four to six weeks. As of right now, the plan is for students to learn the basic sewing fundamentals and to develop their skill set in the medium.

The visual arts program would like to once again thank the following individuals for their generous contributions to the program for without them this project would not be possible:

Jody Burtch for the two sewing machines, **Phyllis Campbell** for one sewing machine, **Cathy Drace** for one sewing machine and fabric, **Kim Hogan** for one

sewing machine, **Sharon Monge** for one sewing machine, **Susan Stokes** for one sewing machine, **Lisa Sullivan** for the large donation of upholstery fabric, **Linda Reese** for fabric and patterns, and to **Phyllis Victor** for her time and instruction on the serger.

Lastly, we would specially like to thank the efforts, inspiration, and devotion of **Dana Matsukawa** who has help speared this project and whom without, this project would only be a idea and not an actually.

We will keep you up to date on the up coming sewing project and its progress.

Thank you,
Hilda Vazquez
