Your child's early years — from birth to age five — are crucial for their future academic and social success. At Recess OKC, children establish the foundation they need through meaningful play.

Things to know:

- We are not a full-time childcare facility.
- Parents must provide their child's own food, drinks, diapering supplies, and sleeping equipment.
- Drop-ins may drop off in 2-hour blocks from 9 am-11 am or 2 pm - 4 pm OR for the full day. **This helps us keep a calm flow for the children during lunch and nap-time.**
- We care for ages 8 weeks - 3 years.
