KV Ultimate Customized Facial / \$140

Due to many skincare needs and concerns, no one booking knows exactly what facial they need. This treatment may vary and be different each time you come. NEW CLIENTS ONLY: I will perform an in-depth skin analysis to determine the proper facial you need at time of treatment. At which time a recommended treatment plan (which may include home care products) will be discussed.

KV Acne Series / Starting \$560 and up

Due to different stages and levels of acne all acne series treatments are customized to each client's needs. A detailed skin analysis will be performed and a profile and treatment plan will be provided to each client based on the results. This is a package, which comes in either a series of 4 or 6 treatments. Treatment plan will require the separate purchase of home care products recommendations to maintain and support skincare treatment plan outlined.
