I've known him for many years, and we have a great working relationship. I look forward to seeing what he brings D3 and PMEА into this leadership role. I appreciate those of you who considered this position and for very good reasons could not intervene at this time. Please know that your continued work and leadership in D3 is vital to our continued success. How can you - please take a moment to welcome zack to his new position, and thank him for his service. A message from zakari Karcher. (7/16/20 - 1:45 p.m.) NAfME COVID-19 Resources There has never been time in memory during which we as a profession have encountered such a challenge for our training. NAfME and our partners intend to support our music educators with resources for virtual learning, professional development and critical information during this pandemic. More information can be found at: 6/26/20 - 5:50 pm) I hope this finds you well! These are certainly troubling times not only personally but also professionally. Many of us are being stretched in new directions that, frankly, we don't ©. I'm encouraged by the abundant ideas and assists that flood Facebook and our PMEА site. As a profession we are very creative people and I know that each of you will rise to the challenges that face you. Please contact me or any of the exec.com. officers, if we can be of any help. Use resources from NAfME and PMEА. Talk to each other and share ideas and resources. Not only do we have to go through this season, we need to continue to share the importance of music with our students and our administrators and our communities. These days can determine so many about the days that will follow Coronavirus.I am here to help, be ear or shoulder.... PMEА is strong and we will be stronger when it is memory.
