I bought this amazing textbook Spanish composition through literature (3rd ed.) for my tutorial of the language, but I can't find the answer key anywhere. Has anyone answered the key or know where I can get it? I've only been studying for a year, so I doubt I'll get all the answers right. Thank you very much! I don't know if this counts as a homework issue since I'm not at school, but if it does, then I'm sorry and welcome to delete it. Thanks!
