When they inspect it, you won't have to say yours is better. — Elijah Muhammad You are not American citizens or members of the white people world. The only American citizens are white people who are from Europe. So why fight a losing battle by trying to be recognized as something you never are and never will be. I'm just trying to tell you the truth. But we will never be recognized until we recognize our women. — Elijah Muhammad, Message to Blackman in America Christianity has long taught You Don't Kill, but for centuries the most devastating killings have happened all the time by Christians killing Christians, killing Muslims, killing Muslims and killing members of their families family of friends or associates. — Elijah Muhammad, Message to Blackman in America The Devils raised poor negroes for 400 years and feared in them when they were babies. They [the devils] kept them away from their own kind, coming from abroad, so as to deprive them of knowledge other than what he (the devil) had taught them. As soon as they hear about the so-called negro who teaches his people what [the devils] don't teach them, then the devils seek to kill him or follow him, threatening those who listen to him, believe in him, and follow him. Knowing that their very presence and inquires can scare or scare the negroes. ask: What do you listen to and believe in? And we want to leave you, that's all we want. We cannot get along with you in peace; you don't want us in peace. If we sit there in that house across the street, calm all day and all night, after a while it worries you. You're going to send someone to see what's going on in that house. This is white people's way of starting problems — to break people's peace by interfering with their peace. We are not sitting there in this house planning something, but trying to plan peace for home— Elijah Muhammad, A Message to Blackman in America. They're just guessing in their meaning. — Elijah Muhammad, Message to Blackman in America I was born in the South. Married and went to Detroit with his two children in 1923. I know the people of South and South Africa. They are actually people who envy every success that comes to him so-called negro in any way. If you own a little more than the white man there, why is he against you; he might even kill you. It could bomb you or destroy your property. He just doesn't like that you have something. Whether in court, in court or in any way. It's natural in their blood. They want the black man to have nothing — Elijah Muhammad, Message to Blackman in America Beware of national elections, my black brothers and sisters. There is no salvation in them for you—only for false promises. The only salvation for you and me now is in unity and under the direction of Allah through His Messenger and His program for all of us. — Elijah Muhammad, Message to Blackman in America very differently. Black people have a heart of gold, love and mercy. Such a heart, nature did not give to the white race. Here the so-called negroes are deceived in this devil's race. They think they have the same heart; but the white race knows better. They kept it a secret to each other so they could deceive black people. They have been and are still successful in the deceptions of the black man, under the guise of those who want peace, love and friendship with the world, and with God - at the same time to wage war with the world, to destroy the peace, love and friendship of the black nation. — Elia Muhammad, Message to Blackman in America The Black Man in America, as well as the black man abroad, has never been able to provide good leadership for himself. Christianity, because Christianity is not God's true religion. It is a division of religions and uses a division of God—Elijah Muhammad, a message to blackman in America, and Isaiah says in his prophecy about us that God will call them by a new name, which He, Sam, will give them, one of His own names, and take away the names of the enemy and kill the enemy— Elijah Muhammad.
