Bad moon rising ukulele

Here's a 3-chord play together for Bad Moon Rising by Creedence Clearwater Revival. You can play with this video on any instrument! In this video Ricky, a singer, plays the tenor ukulele, I play the baritone ukulele, and Tyler plays the guitar. How cool is that? No matter what you play, you can jam with us on this video. Chords are used: D, A, G-simple! The brenchal picture varies, but it goes something like this verse D chord: DD UDU Chord: DD G Chord: DD D Chord: DD UDU D Chord: DD UDU Chorus G Chord: DD UDU 2x D Chord: DD UDU 2x Chord: DD UDU G Chord: DD UDU D He Wanted Something, He Wanted Something. We had a friend of ours, Angel Esparza, filming it for us. He squatted in the middle of the room, holding the camera and stabilizer, and spun around while each of us played. The hard part is that this video had to be made in one shot, so it took several attempts to get it from start to finish. The three of us shot this video together because we were roommates during the week of the NAMM Show, Ricky Somborn, the vocalist, plays Cata's ukulele brilliance in tenor size. It also set the low strings of G D'Addario. You can see this ukulele here: you can see the low G lines here: Ricky's Channel: Tyler Austinfeld, guitarist, plays guitar made by Enya Music. We saw this guitar on the namM show and Tyler got it as a gift. You can see this guitar here: Tyler Channel: I'm making exclusive educational content for patrons!
