.5x17 The title of the book I am editing looks like this: "Poems by Shuli Ratner: From the Book of Eden" I get an error message in the body of the PDF file saying: "cannot run text operations (rename, move, or copy) on a non-text (non-Tagged) object". This happens when I try to "Move to Content", "Rename", "Rename to" or "Copy". I have no idea why this error message appears. When I try to move to content it gives the following error message: "Error: Could not add the file 'Path to my file' to 'Destination'". I have used: Preview, Adobe Edit, Adobe Acrobat Pro, and Microsoft Word with no luck. A: The error is that the other PDF contains more than one file. In the original document it says "From the Book of Eden by Shuli Ratner.". The other document's title says "Poems by Shuli Ratner: From the Book of Eden". So the book title is in the other document. After you move both documents into one PDF, you can copy and paste. the same subject. Cecile: "In fact the Kyai of Yahudi, the Kaptan, were not there, only the Kyai of Christianity were there." 'Christianity and Islam are the same thing' Kemal: "If Islam is just a form of Christianity, then what is wrong with the same? Christianity is the same as Islam." Cecile: "Well, what is wrong with the same? Christianity is not Islam. They have different theological positions, that's all." Kemal: "I am asking you if it is the same." Cecile: "No, no, no, no. The two religions are not the same." Kemal: "You are not giving me an answer." Cecile: "I have not given you an answer. I am telling you this is what is wrong. I am telling you this is what is wrong with this. Kemal: "Okay, you have been telling me what is wrong with this for a long time, which is nonsense, it is not the truth. But when you point out that Jesus is the Son of God then he is the same. But Jesus 520fdb1ae7
