EDITOR'S NOTE:

Special thanks to OLSM teacher Tara Johnson for capturing the cover photo of the March Campus Communicator – an image of our first and second place essay winners who received 2025-26 tuition scholarships to put toward their senior year tuition. These students presented their essays at the 7th Annual Alumni Scholarship Awards & Networking Event held at the stunning Galeria on the OLS campus on Thursday, March 28. Tara and a group of her photography class students captured many fantastic photos of the event that can be viewed by online readers at: www.orchardlakeschools.com/alumni-scholarship-event
