DoubleSpaceLover I'm not going to be insulted that you cannot answer my question in a way that doesn't require, 'Go read a science fiction novel,' or 'Go to Star Wars' fan fiction archives.' I will be insulted if you answer it with 'Go read something called a dictionary.' I don't think it's asking you to do the impossible. MegaLync Star Wars have a series of novels that can help you with this, or a number of other things. Star Wars The Clone Wars novels, for instance,

might have the answer you seek. Chiffy Oral. Sex. Requires. Money. That is not the entire problem. You also require a significant amount of "social" training. Most of which can be acquired on YouTube. While we're at it, isn't "go to a cracker's website" not the same thing? People who know how to crack an AVI will be aware of the zip file aspect to the whole process, and if not then they'll know how to go to a crackers website. Same with the games and movies, people who crack games and movies are also aware of this aspect. Also, no person is going to just give you their password for all their Internet sites. You're going to have to get a list of usernames and passwords, possibly a keylogger, or other malware. You're going to have to use some degree of social engineering to get what you want.
