Praying for your future husband pdf

Welcome to our 14-day prayer journey for our future husbands! We are so excited that you have decided to join us in praying for your future husband. This is going to be amazing! And did you know that your future husband needs these prayers? He really does. So, of course, you can read these sentences, but I'd like to ask you to also write these sentences in your own words in your journal, journal, notebook, or whatever works for you. Then, after this 14-day trip, you can keep those little sentences in a special box or chest. Then, on your wedding day, give it to your husband. You can read them when you have a bad day. You'll love these girls. You can hold on to these prayers forever! But we want you in your own words so that it truly comes from you and the Lord. Okay, ready to go?! Great! Thanks again for joining! God bless him. Here are the simplified steps: Step 1. There are 14 prayers for you to pray for your future husband for 14 days. Step 2. We want you as a reader, to read it, Step 3. Pray it, and Step 4. Write it or pray in your own words. Step 5. Save all your written prayers for your honeymoon! Give your husband a prayer a day on his special honeymoon, it will make him even more special. ☺ But after the desus it was over. This 2 week trip is just a start for you! After prayers for our future husbands are over, they can continue to pray in their daily devotions, before they go to bed, when they sit in the living room, when they make dishes, etc. When you remember to do so, pray! We hope you will meet us on our 2-week prayer journey. Your future husbands need it, ladies! P.S. We also took a 2-week prayer trip for future wives too! It's called Prayers to become a future wife. Make sure you try it too! Great news! Now we have a sequel to Prayers for My Future Husband! Check this out! Help him keep his eyes on you and find your presence in a whole new way! I pray you can make the right decisions and decisions when it comes to your plans this weekend. Help him set a light and bright example for his friends this weekend. Lord, whatever he does, let him be a reflection of his love for you and bring you glory. Please help him know that you love him and you are taking care of him. Thank you, Jesus. I love you and I want to bring you to and my future honorary husband. Amen. Lord, please bless my future husband today with the gift of your friends. Please bring him mentors and divine companions who will stimulate him in the search for divinity. I pray especially that you have examples of pious men to look up at. I ask you to give him friends his age who are looking for you with their lives. Please help him be surrounded by the people who will bring him closer to You and no further afield. And please give him friends who will bring laughter and joy to his life. Amen. Dear God, please give my future husband vision and clarity today. Please inspired him with a strong vision for his life. Only you know exactly what his life will have, and precisely what you want to do through it. Please remind him of that vision every day. Help him trust only you for his strength, and move forward with confidence. God, I ask you to help him love you more than anything, running after you, looking for you without apology with all his heart. I ask you to give him passion and selfless audacity and ruthlessness that can only come from you. Amen. Dear God, please help my future husband become a worker. Let him work to bring you glory. Help him be honest in business and everyday life as well. It doesn't matter how big or small a thing is. Each and every day, even right now, help him make wise decisions that give you honor. Help him have integrity and stand up for what's right. Amen. Lord, I pray that my future husband will learn through day-to-day experiences and proofs of how to be a good leader. May he learn the qualities necessary to be a great leader for his family and his wife. May he learn integrity, strength of the mind and, above all, love. Let him learn to be strong in his beliefs and do not back down or surrender on the ways of the world. I know that being a leader requires boldness and humility, strength, strength but humility of heart, wisdom beyond his years, but also a meek spirit, I pray that he will learn this and more before he becomes the leader of our family. Bless your day and give him peace and joy. May it be filled with Your Holy Spirit and walk in truth and grace. Thank you for him Jesus! I don't know who, where he is or what he's doing right now, but I pray that your eternal joy will be with him. Let him laugh and be happy today. Thank you, Jesus. Amen. And, Lord, help my husband not to be afraid of what the answers might be, but to know that all things have a place in Your plan. Show him to seek the truth with zeal, but at the same time, Lord, accept that he cannot find answers to some questions on this side of heaven. And, Lord, when the answer is not available on this side of heaven, please show him how to wait in You. Amen. Dear God, please help me husband to love your word, the Bible. Help him study and learn from him Day. Guide him and give him wisdom when he reads so that one day he can teach and guide our family.
