18 and over near me

(credit: Mike Danenberg Photography) Los Angeles is famous for its party scene. Millions of people around the world watch nightly entertainment TV shows and read celebrity gossip columns that highlight L.A.'s high-profile scene after dark. While club fans over the age of 21 have access to all the nightlife L.A. has to offer, the crowds of 18 and over are limited: most Los Loss hotspots only admit 21 and over. However, this does not prevent underage revelers from living it in the city that is distinctly synonymous with the Hollywood lifestyle. While it's not uncommon to see famous artists and Hollywood actors in these 18-plus clubs, all under-21s already know how to keep their cool around the rich and famous. For a night on the city here in Los Angeles, here are five of the best nightlife spots for under 21s.
