[Intro: Nick Jonas]

Yeah, ayy

[Verse 1: Joe Jonas]

I don't want this night to end
It's closing time, so leave with me again (Yeah)
You got all my love to spend, oh
Let's find a place where happiness begins

[Pre-Chorus: Joe Jonas]

We gon' dance in my living room, slave to the way you
move

Hurts when I'm leaving you (Ayy)

Just dance in the living room, love with an attitude

Drunk to an '80s groove (Ayy)

We gon' dance in my living room, slave to the way you
move

Hurts when I'm leaving you (Ayy)

Dance in the living room, love with an attitude

Drunk

[Chorus: Nick Jonas]

It's only human, you know that it's real
So why would you fight or try to deny the way that
you feel?
Oh, babe, you can't fool me, your body's got other
plans
So stop pretending you're shy, just come on and
Dance, dance, dance, dance, oh

[Verse 2: Nick Jonas]

Early morning la-la-light
Only getting up to close the blinds, oh
I'm praying you don't change your mind
'Cause leaving now just don't feel right
Let's do it one more time, oh babe

[Pre-Chorus: Joe Jonas]

We gon' dance in my living room, slave to the way you
move
Hurts when I'm leaving you (Hurts when I'm leaving
you)
Just dance in the living room, love with an attitude
Drunk to an '80s groove (Ayy)

We gon' dance in my living room, slave to the way you
move

Hurts when I'm leaving you (Ayy)

Dance in the living room, love with an attitude

Drunk

[Chorus: Nick Jonas & Joe Jonas]

It's only human, you know that it's real (Know that it's
real)

So why would you fight or try to deny the way that
you feel?

(The way that you feel)

Oh, babe, you can't fool me, your body's got other
plans

So stop pretending you're shy, just come on and
Dance, dance, dance, dance, oh

[Outro: Joe Jonas & Nick Jonas]

Dance, oh (Woo, ayy)

Only human

It's only (-man), it's only (-man)

Only human

Oh yeah, yeah, yeah

Only human

It's only (-man), it's only (-man)

Only human
