MANIFESTO

WE ARE IN THE MIDST OF A WOMEN'S REVOLUTION.
WE SEEK TO EMPOWER WOMEN TO PURSUE SUCCESS HOWEVER THEY DEFINE IT.

Our mission is to empower working women, professionals, academics and small business owners to establish positive financial behaviors, grow their wealth and pursue their life goals through an interdisciplinary approach combining financial education and personalized counseling.

Our investment management style is growth with an emphasis on socially responsible investing and environmental, social, governance (ESG) themes. Our clients typically have a long-term investment time horizon.

Modern Capital Concepts, Inc. is a benefit corporation financial services firm. We endeavor to maximize profits while seeking to fulfill our mission for the benefit of the communities in which we operate. We are committed to our community by sponsoring clinics for low-income residents and donating a portion of profits and services to community organizations.
